

Cancellation & Refund Policies for 2023 CGLHS Conference

Event weekend is October 13th-15th

Cancellations made after September 15th, 2023, which is four weeks prior to the conference, are subject to a 30% cancellation fee. CGLHS will have incurred cost due to your reservation at this point. Cancellations less than one week prior to the conference, after October 5th, 2023, are non-refundable and will be considered a donation. If you need to cancel your attendance please email info@cglhs.org with "2023 Conference Cancellation" in the subject line and reference this policy in the body of your email.

In these cases, CGLHS does not issue credits for future programs or events due to conference cancellation. If you are unable to attend the conference, you may transfer your registration to an alternate participant who pays the cost of the conference; please contact info@cglhs.org at the time of your cancellation and provide your alternative participant's name and email address.

We will make every reasonable effort to proceed with our planned conference. The California Garden & Landscape History Society reserves the right to cancel programs in the case of severely inclement weather impacting the event, insufficient registration, a disaster, or similar situation. If a program is canceled, participants will be contacted by email and receive a full refund.

We strive to be fair and judicious. Thank you for your understanding.
